

## Installation time-saving unit

The pre-equipped condensing units offer several benefits:

1. Time-saving installation (1 h)
2. Expanded safety : 100% condensing unit controlled
3. Pre-wired with factory preset components

**Time-saving**  
( Installation, logistics, tests... )

## Optimized design

**MAINTENANCE  
FACILITY**

**APPROVED  
TECHNOLOGY**

**INDUSTRIAL  
MANUFACTURING**

## Key features

1. Standard components available
2. Factory leak tested; complete electrical test (compressor, fan, pressure-switch)
3. Large range available with single phase and 3-phase compressor
4. Full line of components

## Available range:
